Rudolf Hube, Esq.

Berlin, Germany.

Dear Sir, -

The invoice of coins received a few days ago, and I expect to take quite a lot of them. It will be some days before I can decide what I want to keep as I want to verify each coin. I am sending you a note on account, and will send the balance later. It is a very nice lot of coins and I was very glad to receive them, I much prefer to see the coins than to buy them without seeing them.

The next time you send over any coins do not send over more than 200. lms. in one package, nor valued at more than 200. lms. as they come by express when more than these figures. I had to pay 5 lms. extra on the 1000 as they came by express. They would have come by Parcel Post in two packages if you had put them in two packages.

I see but one lot in Num. Corresp. 340. 1000 Annabur. Hold this and send it when you are sending something else.

Very truly,

Berlin,

Dear Sir,-

I am herewith sending you a check for Mk. 80.80. This balances our account in full. This account should have been sent you long ago, but an extended trip in the early part of the winter and our financial crisis of the past few months has made me rather short of money. I trust that in the future I will not keep you waiting so long for a final settlement but this delay was unavoidable.

Let me know of anything new in my line and believe me,

Very sincerely,
